USER GUIDE

DUCT TECH POWER CLEAN

22001252/2x5Lt

Application	**Fast Acting Cleaner for Kitchen Extraction Ducts & Canopies**
Features & Benefits	Duct Tech Power Clean is formulated specifically for routine cleaning of kitchen extract ducts. It rapidly dissolves regular grease/duct deposits making them easy to wipe away. Fast Acting: Makes the task quick and easy Economical in Use: Product dilutes
Dilution	Routine Use: 25% (4:1) Heavy Use: 50% (1:1)
Equipment Required	• Trigger sprayer • Waste bags/buckets/towelling cloth • Bucket of warm water with an alkaline cleaner • Hand and eye protection is recommended
Use Instructions	1. Prepare duct for cleaning, remove access panels etc. 2. Dry-scrape heavy deposits before application of chemical. 3. Spray panels with Duct-Tech Power Clean and allow a few seconds to dwell. 4. Wipe off loosened residue with a warm damp cloth.
Hints & Tips	*For very heavy tasks/systems that have not been cleaned for a long time use Duct Tech Gel to remove heavy deposits.*
Precautions	**Use all PPE advised in MSDS and COSHH Assessment** To be used as part of a managed duct cleaning process.
